Dear Parents/Carers

UNIFORM - PIERCINGS

Before we break for the Christmas holidays I would like to remind all students and their parents/carers of the Stratton uniform policy particularly with regard to piercings. Students in years 9-11 are permitted to have only one earring in each ear and no other facial piercings. In addition students are only permitted to wear studs and therefore should not wear hoop earrings as this is a health and safety hazard. Students will be asked to remove any piercings that do not conform to the school policy and if they are unable/unwilling to do so they will be isolated from their peers until the issue is rectified.

Please see the school website for full details of the uniform policy and if you are in any doubt please contact the school for further clarification. We know that the vast majority of parents want to support the uniform policy but can succumb to pressure from their children when they see other students not in correct uniform. Parents are therefore supporting each other when they insist that their own children attend in full and proper uniform.

I wish all families a pleasant and peaceful Christmas break and look forward to welcoming all students back to school on Wednesday 3rd January

Yours faithfully

Roz Hodges
Deputy Headteacher
