Dear Parent/Carer

I am writing to update you on the current position in school regarding two matters.

Firstly, due to unforeseen circumstances, our Headteacher Rob Watson will be out of school and not contactable for a period of 4 to 6 weeks.

Our Deputy Headteacher, Ms Roz Hodges, is currently in charge of the school and is the point of contact on school leadership issues. All other operational issues are unaffected and you should contact the school in the normal way if you wish to discuss anything regarding your child's education.

We have had a number of enquiries about our recent Ofsted Inspection. After a school is inspected there is a period of several weeks whilst the report is prepared by the inspectors. During this period, as with other schools when they are inspected, we are not allowed to discuss the findings of the inspection. We will, of course, let you know as soon as the report is published.

Whilst I am writing, I wanted to say how pleased we have been with the way that Years 11, 12 and 13 are preparing themselves for their exams. We wish them well over the coming weeks. We are also pleased to hear good reports from many employers about Year 10's on work experience. They have been a credit to the school.

Yours faithfully
