Dear Parents/Carers

SUMMER TERM FOCUS ON STANDARDS

You may be aware that from Monday 4th June Year 10 will embark on their new Year 11 timetable. In preparation for this, over the next few weeks, we will be focusing on establishing and maintaining good learning habits and standards to ensure that students maintain their focus on learning in every lesson during what can be a busy summer term.

We have had some excellent feedback from work placements over the last two weeks and are looking forward to welcoming students back to school next week. We aim to build on their experiences and set firm foundations to take them through this final year of formal education. During the next few weeks, we will be insisting on high standards of work and conduct from all students, so they can take these positive habits into the new term in September without losing momentum and valuable learning time.

If your son or daughter has any problems settling into the new timetable, please do not hesitate to make contact with their Form Tutor, in the first instance. For students who struggle to meet the expectations of their teachers we will request a meeting with parents to discuss ways in which we can support the student to make a more successful transition into Year 11.

Can I also take this opportunity to remind parents that all students should be in full uniform and there will be an assembly on Monday morning led by Mr Evans and Mr Clarke.

We are very proud of the way Year 10 have settled and matured into their studies and are looking forward to seeing them continue to thrive through this next, important phase of their education.

Yours faithfully

Roz Hodges
Deputy Headteacher
